New Life Broadcasting, Inc. ("New Life") a Puerto Rican Corporation that is Licensee of radio station WBRQ-FM, Cidra, Puerto Rico, facility ID. 1891, herewith submits our COMMENTS in the above-captioned proceeding. . In support whereof, the following is stated:

1. New Life Broadcasting, Inc. is the licensee operator of radio station, WBRQ-FM, Facility I.D. 1891, Cidra, Puerto Rico.
2. We support the request of La Gigante Radio Corporation to allot Channel 291A to serve with a permanent license the community of Culebra, P.R. that deserve to have the assurance of a permanent FM service, no subject to an "STA" Status like presently authorized.
3. New Life Broadcasting, Inc. will file an application for construction permit to build the vacant Channel 254A that "La Gigante" will leave, like the second FM service allotted to Culebra, Puerto Rico. We will participate in the auction process that the FCC will open for that purposes in the near future.

WHEREFORE, we respectfully request that the Commission grant this Petition for Rulemaking and substitute Channel 291A for Channel 254A at Culebra so that Petitioner can obtain a permanent authorization for its operation of station WXZX-FM which presently provides first local service to Culebra, and give us the opportunity to file for vacant channel 254A.

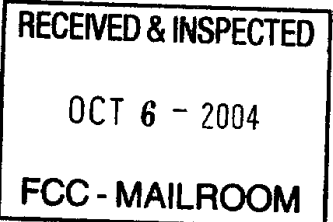

Respectfully submitted,
